Certificate Appreciation

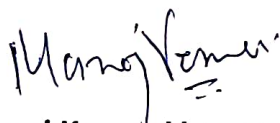

On behalf of **City International School, Jaipur (Rajasthan)**, I extend my heartfelt congratulations to **Team Hackiware** for successfully organizing the **"CYBER SERCURITY AWARENESS WORKSHOP."**

The workshop featured insightful presentations by **Ms. Shagun Dhiman**. Her expertise helped students understand crucial cyber security concepts, including online safety, cyber threats, and best practices for digital protection.

The session was highly informative and interactive, addressing real-world cyber security challenges. The speaker effectively demonstrated cyber hygiene, preventive measures against phishing and malware, and ways to safeguard personal information.

Cyber security is the need of the hour, and this seminar has played a vital role in raising awareness among students. We appreciate the efforts of **Team Hackiware** and wish them continued success in their missing.

Best Regards,

Manoj Kumar Verma

Principal

City International School, Jaipur
